Professional Experience

Towson University - Academic Advising, Retention, and Completion Office

Academic Advisor for Transferring and First-Year Students 2019 – Present

- Hire, train, and supervise 8 student academic advisor undergraduate student employees.
- Promote academic success by advising 40 first-year freshmen in one-to-one, small group, large group, and online settings.
- Increase retention by providing interventions and support for students on academic alert, academic warning, and academic probation.
- Strengthen campus partnerships by liaising and networking with faculty and staff advisors in the College of Liberal Arts.
- Improve the transfer experience by providing appropriate and effective academic advising to students from the pre-admissions process, through post-matriculation.

Towson University - Office of Civic Engagement & Social Responsibility

Coordinator of Community Service 2017 – 2019

- Hire, train, and supervise one graduate assistant and 7 undergraduate employees.
- Advise Alternative Break Connections (ABC) student organization leadership board, including managing \$40,000 operating budget and providing on-call assistance for all domestic and international student travel.
- Promote mutually beneficial programming and maintain partnerships with over 60 regional nonprofits.

- Plan and implement weeklong volunteer, experiential, and educational programming as part of Hunger & Homelessness Awareness Week, and National Volunteer Week.
- Manage transportation funding and logistics for BTU, a presidential initiative to promote partnerships between Towson University and the greater Baltimore region.

Virginia Tech - VT Engage: The Community Learning Collaborative

Interim Service Learning Coordinator

2016-2017

- Develop curriculum and facilitate weekly trainings for STEP UP student leaders on topics including reflection, facilitation, group development process, and social issue education.
- Create materials and procedures for integrating learning outcomes and enhanced educational programming into student led immersion programs.
- Partner with campus departments and faculty members to create meaningful community engagement experiences.

Volunteer Experience

Co-Leader, Girl Scout of Central Maryland Council

2017 – 2020

- Plan and facilitate badge activities for troop of 10 girls.
- Mentor scouts both as part of Girl Scouts and outside of troop activities.
